# VISIT FIELDS OF DAFFODILS!

1. **Coddington Hwy @ West Main Road**
2. **Ballard Park, Hazard Road**
3. **Along Cliff Walk @ Salve Regina University**
4. **Across from Easton's Beach on Memorial Blvd.**
5. **Dunlap-Wheeler Park**

Greater Newport has over one million daffodils blooming each spring, part of its **Daffodillion** volunteer campaign beautifying the "City by the Sea."

In addition to plantings all around town, these seven locations are where you'll find fields of 25,000 or more daffodils in bloom.
